Breakout board

The breakout board will have a 6 pin AVR-ISP, 6 pin AVR-PDI, and a 10 pin AVR-ISP break out.

Materials:
- Teensy2.0 Breakout board PCB
- Two 1x12 0.1” pitch female headers
- 1x5 0.1” pitch female headers
- 12 male pin header
- A shrouded 2x5 0.1” male header
- Two 220 ohm through hole resistors
